Bible Cross-Reference Worksheet

Compare connected passages without flattening their different contexts.

Starting passage

Reference and main point

Related passage

Reference and reason for linking

First passage in context

Speaker, audience, genre, surrounding verses

Related passage in context

Speaker, audience, genre, surrounding verses

Shared theme or wording

What is genuinely common to both texts?

Important differences

What changes between settings, purposes, or emphases?

Careful conclusion

What connection can you support? What remains uncertain?
